Stevie Ray Vaughan, Crossfire

Day by day, night after night Blinded by the neon light Hurry here, hustling there No one's got the time to spare Money's tight, nothing free Won't somebody come and rescue me

I am stranded, caught in the crossfire Stranded, caught in the crossfire

Tooth for tooth, eye for an eye Sell your soul just to bop on by Beggin' for a dollar, stealin' a dime Come on can't you see that I'm Stranded, caught in the crossfire I am stranded, caught in the crossfire I need some, kind of kindness Some kind of sympathy, oh no

(Lead) Save the strong, lose the weak Never turning the other cheek Trust nobody, don't be no fool Whatever happened to the golden rule
