Stevie Ray Vaughan, Hug You Squeeze You

God knows I love you baby, tell the world I do
God knows I love you baby, tell the world I do
I'll do anything just to be loved by you

Got so much trouble, I don't know what to do
Got so much trouble, I don't know what to do
Yeah, I'll do anything just to make love to you

I want to hug you, kiss you, squeeze you till my arms fall off
I want to hug you, kiss you, squeeze you till my arms fall off
God knows about that - baby, baby I love you so

Got so much trouble, I don't know what to do
Got so much trouble, I don't know what to do
Yeah, I'll do anything just to make love to you

I want to hug you, kiss you, squeeze you till my arms fall off
I want to hug you, kiss you, squeeze you till my arms fall off
You'll know about that - baby, baby that I love you so
