

# Stevie Ray Vaughan, I'm Leaving You (Commit A

I'm leavin' you woman  
Before I commit some crime  
I'm leavin' you woman  
Before I commit a crime  
You the evilest woman  
I think ever crossed my mind

You put poison in my coffee  
Instead of milk or cream  
You poison my coffee  
In with that milk and cream  
You're the meanest woman  
I think I've most ever seen

You mix my drink  
With a can of Red Devil lye  
You mix my drink  
With a can of Red Devil lye  
Then you sit right down  
Watchin' me, hopin' I might die

You better be watchin' me baby  
Baby it was not my time  
You better be watchin' me baby  
Just might be your time
