

# Stevie Wonder, With A Child's Heart

With a child's heart  
Go face the worries of the day  
With a child's heart  
Turn each problem into play  
No need to worry no need to fear  
Just being alive makes it all so very clear

With a child's heart  
Nothing can ever get you down  
With a child's heart  
You've got no reason to frown  
Love is as welcome  
As a sunny sunny day  
No grown-up thoughts  
To lead our hearts astray

Take life easy, so easy nice and easy  
Like a child so gay and so carefree  
The whole world smiles with you  
As you go your merry way  
Oh with a child's heart  
Nothing's gonna get me down
