

# Stevie Wonder, Without A Song

Without a song, the day would never end  
Without a song, the road would never been  
When things go wrong, a man ain't got no friend  
Without a song, mmm  
Without a song

That field of corn, would never see a plow  
That field of corn, would be deserted now  
A man is born, but he ain't no good no how  
Without a song, yeah, yeah  
Without a song

I've got my troubles and woe  
But sure as I know, the Jordan will roll  
I'll get along as long as a song  
Is strung in my soul

I'll never know, what makes the rain to fall  
I'll never know, what makes the grass grow tall  
I only know, that there ain't no love at all  
Without a song, mmm yeah  
Without a song, yeah

I've got my troubles and woe  
But sure as I know, the Jordan will roll  
I'll get along as long as a song  
Is strung in my soul  
In my soul

I'll never know, what makes the rain to fall  
I'll never know, what makes the grass grow tall  
I only know, there ain't no love at all  
Without a song, yeah, yeah  
Without a song, mmm  
Without a song, yeah  
Without a song
