

Stiff Little Fingers, Fly The Flag

Gimme a country that's red white and blue
Gimme the British way honest and true
Gimme the chance to be one of the few
Gimme gimme gimme gimme gimme

Gimme a kingdom where people are free
Free to do and free to be
Free to screw you before you screw me
Gimme gimme gimme gimme gimme

[Chorus:]
Cos I'm alright
I'm alright, Union Jack
Fly the flag

Gimme a Britain that's got back the Great
A race of winners not cramped by the State
And only the helpless get left at the gate
Gimme gimme gimme gimme gimme
