Stina Nordenstam, And She Closed Her Eyes

And she closed her eyes and said No I'm not in love I'm not in much For real

And the hood fell off her head And her face got wet I held my part Of the deal

I've been growing older he thought And he smiled and said You've got the saddest face I've seen

And when she didn't seem to listen at all He said I'm getting wet You held your part Of the deal
