Sting, Be My Girl - Sally

Won't you be my girl Won't you be my girl Won't you be my, be my, be my girl

Won't you be my girl Won't you be my girl Won't you be my, be my, be my girl

Won't you be my girl Won't you be my girl Won't you be my, be my, be my girl

Won't you be my girl Won't you be my girl Won't you be my, be my, be my girl

I was blue and lonely, I couldn't sleep a wink
And I could only get unconscious if I'd had to much to drink
There was somehow, something wrong somewhere
And each day seemed grey and dead
The seeds of desperation were growing in my head
I needed inspiration, a brand new start in life

Somewhere to place affection, but I didn't want a wife And then by lucky chance I saw in a special magazine An ad that was unusual, the like I'd never seen " experience something different with our new imported toy She's loving, warm, inflatible and a guarantee of joy." She came all wrapped in cardboard, all pink and shrivelled down A breath of air was all she needed to make her lose that frown I took her to the bedroom and pumped her with some life And later in a moment that girl became my wife And so I sit her in the corner and sometimes stroke her hair And when I'm feeling naughty I blow her up with air She's cuddly and she's bouncy, she's like a rubber ball I bounce her in the kitchen and I bounce her in the hall And now my life is different since sally came my way I wake up in the morning and have her on a tray She's everything they say she was and I wear a permanent grin And I only have to worry in case my girl wears thin

Won't you be my girl, won't you be my girl Won't you be my, be my, be my girl Won't you be my girl, won't you be my girl Won't you be my, be my, be my girl Won't you be my girl, won't you be my girl Won't you be my, be my, be my girl
