

# Sting, Fall Out

Written by Stewart Copeland

(this is the version that appears in the Message in a Box complete transcriptions)

I never followed leaders  
I got no machine  
An' I paid my dues all along  
Always says your freakin'  
When I mess with other people  
'cause I knew that I was really alone

Fall out, fall out with all the leaders and guys  
Fall out, fall out with all the leaders and guys

I saw my education  
It was my indoctrination  
Just to be another parking machine  
Always says your freakin'  
When I mess with other people  
'cause I knew that I was not very clean

Fall out, fall out with all the leaders and guys  
Fall out, fall out with all the leaders and guys  
Fall out, fall out with all the leaders and guys  
Fall out, fall out with all the leaders and guys  
Henri!  
Fall out, fall out with all the leaders and guys  
Fall out, fall out with all the leaders and guys  
Fall out!

And after listening to a lot of different live  
Versions (and the original!) this is what we  
Think the lyrics actually are. take your pick!  
I never followed leaders  
I've got my own team  
And I've paid my dues all along  
Always had to fake it  
When I mixed with other people  
'cause I knew that I was really alone

Fall out, fall out all the leaders and gangs  
Fall out, fall out all the leaders and gangs

I sold my education  
It was my indoctrination  
Just to be another cog in the machine  
Always had to fake it  
When I mixed other people  
'cause I knew that I was not very clean

Fall out, fall out all the leaders and gangs  
Fall out, fall out all the leaders and gangs  
Fall out, fall out all the leaders and gangs  
Fall out, fall out all the leaders and gangs  
Henri!  
Fall out, fall out all the leaders and gangs  
Fall out, fall out all the leaders and gangs  
Fall out!
