Sting, Hole In My Life

Yeah, yeah, yeah There's a hole in my life There's a hole in my life

Shadow in my heart Is tearing me apart Or maybe it's just something in my stars

There's a hole in my life There's a hole in my life Be a happy man I try the best I can Or maybe I'm just looking for too much

There's something missing from my life Cuts me open like a knife

It leaves me vulnerable I have this disease I shake like an incurable God help me, please Oh, there's a hole in my life There's a hole in my life Yeah, yeah, yeah There's something missing from my life Cuts me open like a knife It leaves me vulnerable I have this disease I shake like an incurable God help me, please Oh, there's a hole in my life There's a hole in my life
