

# Sting, If I Ever Lose My Faith In You

You could say I lost my faith in science and progress  
You could say I lost my belief in the holy church  
You could say I lost my sense of direction  
You could say all of this and worse but

If I ever lose my faith in you  
There'd be nothing left for me to do

Some would say I was a lost man in a lost world  
You could say I lost my faith in the people on TV  
You could say I'd lost my belief in our politicians  
They all seemed like game show hosts to me

If I ever lose my faith in you  
There'd be nothing left for me to do

I could be lost inside their lies without a trace  
But every time I close my eyes I see your face

I never saw no miracle of science  
That didn't go from a blessing to a curse  
I never saw no military solution  
That didn't always end up as something worse but  
Let me say this first

If I ever lose my faith in you  
There'd be nothing left for me to do
