Sting, Three O

Everyone I know is lonely My God's so far away And my heart belongs to no one So now sometimes I pray Please take this space between us And fill it up some way I've been waiting for my brothers Since fucking Christmas day There's a song that everyone's heard Let me hear it, make me a part Songs everyone's heard Let me hear it, make me a part Nothing seems to matter To no one anymore They say my world is shattered I just did it on the floor It won't go no further It is here I make my stand If you say my life is precious When you held it in your hand There's a song that everyone's heard Let me hear it, make me a part Songs everyone's heard Let me hear it, make me a part There's a song that everyone's heard Let me hear it, make me a part Songs everyone's heard Let me hear it, make me a part
