

Sting, You Were Meant For Me

Life was a song
You came along
I lay awake the whole night through

If I should dare
To think you care
This is what I'd say to you

You were meant for me
And I was meant for you

Nature fashioned you
And when she was done
You were all those good things
Rolled into one

You're like a plaintive melody
That never lets me be
I'm content the angels must have sent you
And they meant you just for me

You're like a plaintive melody
That never lets me be
I'm content the angels must have sent you
And they meant you just for me
