

# Sting, You Were Meant For Me

Life was a song  
You came along  
I lay awake the whole night through

If I should dare  
To think you care  
This is what I'd say to you

You were meant for me  
And I was meant for you

Nature fashioned you  
And when she was done  
You were all those good things  
Rolled into one

You're like a plaintive melody  
That never lets me be  
I'm content the angels must have sent you  
And they meant you just for me

You're like a plaintive melody  
That never lets me be  
I'm content the angels must have sent you  
And they meant you just for me
