

Stitches, Fuck Nigga (feat. Sean J)

I'm seein' way too many fuck niggas /5x

A fuck nigga, I swear to God I cannot stand a fuck nigga
That boy plottin' on my jewels, he is a fuck nigga
They told me stop saying nigga, you is a dumb nigga
I got latino niggas and I got my black niggas
Don't matter yo skin color, white or black, you get this bullet
I'm riding dirty and I got a lotta dirty bullets
Come in yo house and put that duck tape on yo fuckin' mouth
The last thing that you want is Stitches coming in yo house
What time's that? It's time to kill a fuck nigga
Aye, what's yo name, sucka? Fa-fa-fa-fuck nigga
I don't trust niggas, I don't trust bitches
Niggas say they real, but they're being bunch of bitches

I'm seein' way too many fuck niggas /5x

I'm seein' way too many fuck niggas
I'm seein' way too many pussy niggas
I see the pussies from a mile away
I bet that choppa hit ya andale
Ya know I'm fuckin' with my white niggas
We trap all day and sell that white, nigga
And fuck police, cuz they don't like niggas
So do you really wanna fight, nigga?
I tell ya what, I'll fuck yo wife, nigga
So they don't fuck around with pussy niggas
You don't wanna catch this fuckin' bullet
I might just fuck around and fucking bull it

I'm seein' way too many fuck niggas /5x
