

# Stone Gossard, Fits

Could be the difference in our age  
Been charged with reckless driving, oh and pardon our rage  
Albeit, I know it, these fits are made of change  
The skins, the texture of our page  
Our nest of shredded paper strewn in our cage  
Albeit, I know it, these fits are made of change  
Albeit, I know it, these fits are made of change
