

# Stone Roses, Straight To The Man

Saying this revelation, call delia station  
An initiation, all you'd better beware  
Who'll cast the first stone?  
Skin to the bone, bring it all on home, bring it on for Jerome  
So, new castle, build a brand new castle, yeah, yeah, yeah, yeah, yeah  
Straight to the man  
On an island of traders, you know they're tryin' to fade ya  
No-one can train you, no-one evade you, no-one can fade you  
Saying "Don't be late, no, the train won't wait"  
Saying "Don't be late, no, the boat can't wait"  
Saying "Don't be late, no, the train nor  
the boat or the train can't wait, yeah "  
Do the do, do the do, do the do do  
Do the do, do the do do do  
Do the do, do the do do do do do do do do  
the, heading straight for the man  
Oh, you know they'll never evade you  
So now I stand here, love cuts down a revolver  
Am stern damn in Sodom and Gomorrah  
So I'm singing to King Stone, your teaching it's on  
They say it's a fable, though I was made able  
I slipped through the net, wanna bet it's a ramble, a sandstorm  
One slip you don't ever forget, who could ever forget?  
You know I never forget  
Straight to the man  
Oh, you know they're trying to fade you  
Saw this revelation, call delia station  
I don;t need no powder, one kinder, easy blind ya  
Yeah the ice of Grande Bretagne owes a debt  
Say the ice of Grande Bretagne  
All the eyes of Grande Bretagne all the eyes of  
Grande Bretagne owes a debt  
Yeah the eyes of Grande Bretagne all eyes of  
Grande Bretagne owes us a debt
