

# Stonebridge feat. Therese, Put Em High

Baby, let me, be me,  
those were, the words you, gave me,  
never, felt this way, before,  
your love, is the light, ah-haaaa,  
And baby i don't care  
where you've been before  
just Put 'em high,  
Push 'em high  
make the best of it,  
just a little bit,  
just Put 'em high,  
And Push 'em high  
ba-ber-bom-bom  
ba-ber-bom-bom  
ba-ber-bom-bom  
ba-ber-bom-bom  
bom-ba-ber-bom-bom  
Put 'em high  
Push it high  
ba-ber-bom-bom  
bom-ba-ber-bom-bom  
Put 'em high  
Push it high  
Baby, let me, be me,  
those were, the words you, gave me,  
never, felt this way, before,  
your love, is the light, ah-haaaa,  
And baby i don't care  
where you've been before  
just Put 'em high,  
Put 'em high  
make the best of it,  
just a little bit,  
just Put 'em high,
