

# Stonewall Jackson, I'm Just Here To Get My Baby

I'm not in your town to stay said a lady old and gray  
To the warden of a penitentiary  
I'm not in your town to stay and I'll soon be on my way  
I'm just here to get my baby out of jail  
Yes warden you know I want my baby out of jail  
I've tried to raise baby right I prayed both day and night  
That he'd never follow footsteps of his dad  
I have searched both far and wide I had feared that he had died  
So it's good to find my baby here in jail  
Yes warden I'm just here to get my baby out of jail  
It's been ten long years today since my husband passed away  
He was found beneath the snow so cold and white  
I made a vow to keep his chain his gold watch and diamond ring  
Oh the county laid my husband in the ground  
Yes warden the county laid my husband in the ground  
I will pawn to you his watch I will pawn to you his chain  
I will pawn to you my husband's diamond ring  
I will wash all your clothes or I'll scrub all your floors  
If that would get my baby out of jail  
Yes warden you know I want my baby out of jail  
Then we heard the warden say to this lady so old and gray  
I will bring your darling boy to your side  
Two iron gates swung wide apart she held her darling to her heart  
She kissed her baby boy and then she died  
But smiling in the arms of her baby boy she died
