

# Stonewall Jackson, Today I Started Loving You Again

Today I started loving you again I'm right back where I've really always been  
I got over you just long enough to let my heartache mend  
And then today I started loving you again

What a fool I was to think I could get by with only these few million tears I've cried  
I should have known that the worst was yet to come  
And that crying time for me had just begun

So today I started...

Yes today I started...

Oh today I started loving you again
