

Story Of The Year, And The Hero Will Drown (Real)

The night will come
And rip away
Her wings of innocence through every word we say.
Maybe it's time
To spit out the core
Of our rotting union hopefully before it chokes us to our senses.

I guess its too bad that everything we have is taken away

Swim in the smoke.
The hero will drown.
Intoxicating beauty tears everything down.
But still our hands are bound at the wrists.
This romantic tragedy is suffocating from your fist, in a sea of fire.

I guess its too bad that everything we have is taken away
I guess its too bad that everything we have is taken away (Taken Away)

Hero, Hero-this word you'll never know."
Hero, Hero-this word you'll never know."

I guess its too bad that everything we have is taken away (Taken Away)
I guess its too bad that everything we have is taken away (Taken Away)
I guess its too bad that everything we have is taken away
I guess its too bad that everything we have is taken away (Taken Away)

away, away, away, im takin' it away
away, away, away, im takin' it away
