

Story Of The Year, Nothing To Prove

i'm sorry
for once i want nothing to do with you
i guess i'll prove i'm finding
that nothing i said even mattered true
to you

i'm sorry
but this time some things didn't go your way
chances fade
i promise that these are the last words you'll hear from me

and i feel okay
all i want in the ending
is to say "yeah i'm okay"
yeah my new disguise
i'll throw away, yeah

it helps me
to know that i've got nothing left to lose
or to prove
there's no way i'm wasting this chance keeping faith in you

and i feel okay
all i want in the ending
is to say that i'm okay
yeah my new disguise
i'll throw away, yeah

why would you run away
when this means everything?
why would you run away
when this is everything?

you're calling
but whether or not i'll be there
is lost anywhere
you're crawling
but i won't hold your hand up
pretend to care

and i feel okay
all i want in the ending
is to say that i'm okay"
yeah, my new disguise
i'll throw away, yeah

why would you run away
when this means everything?
why would you run away
when this means everything?

now run away run away run away
yeah run away run away run away
now run away run away run away
run away
this means everything
this means everything
this means everything
this is everything
everything to me
