

# Story Of The Year, Til The Day I Die

Until the day I die  
I'll spill my heart for you (for you) Until the day I die  
I'll spill my heart for you.

As years go by I race the clock with you,  
But if you'd die right now,  
You know that I'd die too (I'd die too).  
You remind me of the times when I knew who I was (I was),  
Still the second hand will catch us like it always does.  
We'll make the same mistakes  
I'll take the fall for you,  
I hope you need this now cause I know I still do.

Until the day I die, (Until the day I die) I'll spill my heart.  
Until the day I die, (Until the day I die) I'll spill my hear for you.

Should I bite my tongue until blood soaks my shirt?  
We'll never fall apart,  
Tell me why this hurts so much.  
My hands around your throat and I think I hate you (think I hate you)

Still we'll say remember when,  
Just like we always do (just like we always do).

Until the day I die (Until the day I die) I'll spill my heart for you.  
Until the day I die (Until the day I die) I'll spill my heart for you...

Yeah I spill... my heart... yeah I spill my heart for you!

My hands around your throat and I think I hate you.  
We made the same mistakes,  
mistakes like friends do.  
My hands around your throat and I think I hate you,  
and we make the same mistakes (made the same mistakes)

Until the day I die, I'll spill my heart for you (for you)  
Until the day I die, (Until the day I die) I'll spill my heart for you (for you).  
Until the day I die, (Until the day I die) I'll spill my heart for you,  
Until the day I die,  
(Until the day I die)  
Until the day I die!
