

# Strange Celebrity, If I

I could stand and look at you forever  
While other lifetimes pass me by  
Well it'd be worth the wait  
To have one chance to see your face  
And catch a glimpse of your smile  
And I would run  
I could fly  
If I only, could have you next to me  
Then I, I would give you everything you need  
And I could make you see  
If I were the only one for you  
Then I could make all your dreams come true  
And I could be the one to set you free  
So let me  
I've been trying to figure out forever  
How to make you come around  
Seems everything I try won't wake you up  
Won't catch your eye  
But still I gotta try  
And I would run  
I could fly  
Just give me a chance  
To show you how it's meant to be  
Just one little chance  
And I can make you believe
