

Strangelove, Wellington Road

God is looking down upon the shivering ones
Shooting up down on the Wellington Road
And reaching out for their arms
But we don't wanna know
Down on the Wellington Road
Where all tomorrow's peace of mind
Is bought and sold
Oh but he never gives up on you
Oh no he never gives up on you
No no he never gives up on you
No no he never gives up on you
Up on you
Up on you
Up on you
Life's a little longer on the Wellington Road
Grinding teeth down 'til the money goes cold
We shake our fists at the sky
'Cos we already know
Down on the Wellington road
The only saviours left behind
Are bought and sold
Oh but he never does let you go
Oh no he never does let you go
Woah and he never gives up on you
No no he never gives up on you
Up on you
Up on you
Up on you
Up on you
Up on you
Up on you
Up on you
God is looking down upon the shivering ones
Shooting up down on the Wellington Road
Reaching down for their hearts
But we don't wanna know
Down on the Wellington Road
Where all tomorrow's peace and love
Are bought and sold
Oh but he never does let you go
No no he never does let you go
Woah and he never gives up on you
No no he never gives up on you
Up on you
Up on you
Up on you
Up on you
Up on you
Up on you
Up on you
La la la etc.
He don't give up on you
He don't give up on you
He don't give up on you
