

Strapping Young Lad, Almost Again

So you're leaving...

So you're on your own...

Almost again... almost again... almost again... I have...

State your reasons

So? ...You're all alone...

Almost again... almost again... almost again... I have...

Sown,

AT THE SPEED OF SOUND I WILL BE FOUND

AT THE SPEED OF LIGHT I WILL BE SIGHTED

Almost again... almost again... almost again... I have...

Sown,

AT THE SPEED OF SOUND

So it's over...

Now, you're on your own...

Almost again... almost again... almost again... I have...

Sown,

AT THE SPEED OF SOUND I WILL BE FOUND

AT THE SPEED OF LIGHT I WILL BE SIGHTED

AT THE SPEED OF SOUND

AT THE SPEED OF SOUND

AT THE SPEED OF SOUND
