

Stratovarius, False Messiah

Come to me my disciples
said the stranger who came.
Healed the sick fed the poor
Spread the joy and the cure.

He will rule our land
with his leading hand.
Well achieve our deliverance.
Is it just an illusion
Or the mass confusion.
Is it just the work of the False Messiah?

Victims of mass confusion.
Fools will follow this man
He leads us to destruction
Tending us to damnation.

He will rule...
