

Stratovarius, Hold On To Your Dream

Since you were born
pushed into corner and left all alone.
Told what to do, obey all the rules.
Be just like everyone else those fools.

Day at the school,
teacher's a bully you're mobbed as a rule.
Nothing from TV
your folks are away, you are trapped inside this house you must stay,
Home.

Now it's time for you to move on,
leave the shadows of your past.
Don't let them haunt you forever.

Hold on to your dream, somewhere there's a beam
of hope which is guiding your way through the dark.
This is your chance, Your love, your romance.
Hold on to your dream and never give up in your life.
Hold on to your dream.
