

# Stray Cats, Crawl Up And Die

Well, I don't know what's the  
matter  
Oh, what's the matter with me  
Well, I don't know what's the  
matter  
Oh, what's the matter with me  
Well, I can't believe this place  
now  
And I can't hardly see

Well, I'm smoking packs of filters  
And it's burning my lips  
Well, I'm smoking packs of filters  
And it's burning my lips  
My whole body is a shakin'  
Down to my finger tips

Oh, please let me stay here  
Well, let me stay here tonight  
C'mon baby let me stay here  
Let me stay here tonight  
I want to crawl up in the corner  
I want to crawl up and die  
Ohh!

Well, I'm searchin' for my pacer  
That's gotta keep me alive  
Well, I'm searchin' for my pacer  
That's gotta keep me alive  
And if I don't find my pacer  
I want to crawl up and die

Well, I can't control this feeling  
That I'm having inside  
Well, I can't control this feeling  
That I'm having inside  
I want to crawl up in the corner  
I want to crawl up and die

Oh, please let me stay here  
Well, let me stay here tonight  
C'mon baby let me stay here  
Let me stay here tonight  
I want to crawl up in the corner  
I want to crawl up and die

Oh, please let me stay here  
Well, let me stay here tonight  
C'mon baby let me stay here  
Let me stay here tonight  
I want to crawl up in the corner  
I want to crawl up and die and die  
and die
