

# Stray Cats, Trying To Get To You

I've been travelling over mountains  
Even through the valleys too  
I've been travelling night and day  
I've been running all the way  
Baby trying to get to you

Ever since I read your letter  
Where you said you love me true I've been travelling night and day  
I've been running all the way  
Baby trying to get to you

When I read your loving letter  
Then my heart began to sing  
There were many miles between us  
But they didn't mean a thing  
I just had to reach you baby  
In spite of all that I've been through  
I kept travelling night and day  
I kept running all the way  
Baby trying to get to you

There was nothing that could hold me  
Or keep me away from you  
When your loving letter told me  
That you really love me true  
Lord above me knows I love you  
It was he who brought me through  
When my way was dark as night  
He would shine his brightest light  
Baby trying to get to you

If I had to do it over  
That's exactly what I'd do  
I would travel night and day  
I would still run all the way  
When I was trying to get to you
