

# Stray Kids, The View

Floating on the blowing leaves  
In the blue sky  
Clouds like a submarine swim  
And i keep seeing them in front of my eyes  
Am i dreaming?  
It's that beautiful

I was absolutely speechless  
I couldn't move  
I feel so refreshed  
Yesterday felt so stuck  
But today  
I feel comfortable  
Without those frustrating feelings
