Straylight Run, Now My Heart Is Full

There's gonna be some trouble
A whole house will need re-building
And everyone I love in the house
Will recline on an analyst's couch quite
Soon
Your Father cracks a joke
And in the usual way
Empties the room

Tell all of my friends
I don't have too many
Just some rain-coated lovers'
Puny brothers
Dallow, Spicer, Pinkie, Cubitt
Rush to danger
Wind up nowhere
Patric Doonan - raised to wait
I'm tired again, I tried again, and

Now my heart is full Now my heart is full And I just can't explain So I won't even try to

Did you pass by? Did you pass by? Did pass by...

Dallow, Spicer, Pinkie, Cubitt Every jammy Stressford poet Loafing oafs in all-night chemists Loafing oafs in all-night chemists Underact - express depression Oh, but Bunnie I loved you I was tired again, I tried again, and

Now my heart is full Now my heart is full And I just can't explain So So...
