Straylight Run, With God On Our Side

Oh my name it is nothin'
My age it means less
The country I come from
Is called the Midwest
I's taught and brought up there
The laws to abide
And that land that I live in
Has God on its side.

Oh the history books tell it They tell it so well The cavalries charged The Indians fell The cavalries charged The Indians died Oh the country was young With God on its side.

I've learned to hate others
All through my whole life
If another war starts
It's then we must fight
To hate them and fear them
To run and to hide
And accept it all bravely
With God on my side

Oh the First World War, boys It closed out its fate The reason for fighting I never got straight But I learned to accept it Accept it with pride For you don't count the dead When God's on your side.

When the Second World War Came to an end We forgave the Germans And we were friends Though they murdered six million In the ovens they fried The Germans now too Have God on their side.

But now we got weapons
Of chemical dust
If fire them we're forced to
Then fire them we must
One push of the button
And a shot the world wide
And you never ask questions
When God's on your side.

In a many dark hour I've been thinkin' about this That Jesus Christ Was betrayed by a kiss But I can't think for you You'll have to decide Whether Judas Iscariot Had God on his side.

So now as I'm leavin'

I'm weary as Hell
The confusion I'm feelin'
Ain't no tongue can tell
The words fill my head
And fall to the floor
That if God's on our side
He'll stop the next war.
