

Street Dogs, One Of A Kind

Today I realized
I need more to say
So don't take this so serious
I wrote it in a day

See me looking at you
Hear me I can hear you
Listen to me I know
Everything you want to
I know everything you want to hear

So now I have the chance
To say what's on my mind
I know it doesn't mean much
But it's still one of a kind

See me looking at you
Hear me I can hear you
Listen to me I know
Everything you want to hear
I know everything you want to hear
This isn't fucking Blink 182
