

Streetlight Manifesto, This One Goes Out To...

Staring out the window in somebodys pick up truck,
Well I never mind the boredom cause I use I for a crutch,
Just to get me to that plane its a different state of sane,
And every time I try to change I always end out quite the same,
Thinking back to happier days everyone was ignorant and all the kids behaved,
But me, my friends, and the ice cream man,
That was our existence,
That was our clan,
This one goes out to the friends I never had!

Hey I dont understand (but Id like to anyway)
Hey I dont understand (but I like it anyway)
Hey I dont understand (but I like you anyway)
I dont understand HEY
I dont understand
I dont understand HEY
I dont understand

Shelter in the city we decided to go in,
And I gave a man some money to buy his heroin,
The homeless man returned and he gave me back a dime, he said,
Put it in your sock my friend and save it for another time,
Lessons are learned and later unlearned,
And if he knew what he knows now,
Well he could rule the world,
But Im not one to judge,
What happened yesterday,
Cause I got me, I got myself, my future is at stake.
This one goes out to the friends I never had!
