

# Stroke 9, Little Black Backpack (in Album Bumper)

The Bumper to Bumper version of this song has explicit lyrics. The band, and their management, m  
AKA the Bumper to Bumper Version

-----  
i know it, it's a shame  
a shame i can't show it  
and i see it, i can see it now  
but i'm so far below it  
and i believe you, yes i do  
the things that you say are so true  
and i, well i trust you,  
thought i could trust you now  
in everything that you do  
don't wanna, don't wanna talk about it  
i say why not  
don't wanna think about it  
i say there's got  
to be some good reason  
for your little black backpack  
up, smack, turnaround he's on his back  
don't want to tango with you  
i'd rather tangle with him  
i wanna smash his fucking head in  
and this shouldn't concern you except that  
just don't expect to get your  
bloody black backpack back  
i feel you, yes i can  
what about that don't you understand  
and i sense you, its something sensual  
but its less than i planned  
don't wanna, don't wanna talk about it  
i say why not  
don't wanna think about it  
i say there's got  
to be some good reason  
for your little black backpack  
up, smack, turnaround he's on his back  
don't want to tango with you  
i'd rather tangle with him  
i wanna smash his fucking head in  
and this shouldn't concern you except that  
just don't expect to get your  
bloody black backpack back  
not gonna get it back  
no, no, no  
aw, no, no, no  
not gonna get it back  
no, no  
there you go  
aw baby, no, no, no  
don't wanna, don't wanna talk about it  
i say why not  
don't wanna think about it  
i say there's got  
to be some good reason  
for your little black backpack  
up, smack, turnaround he's on his back  
don't want to tango with you  
i'd rather tangle with him  
i wanna smash his fucking head in  
and this shouldn't concern you except that  
just don't expect to get your  
bloody black backpack back  
don't want to tango with you  
i'd rather tangle with him

I wanna smash his fucking head in  
and this shouldn't concern you except that  
just don't expect to get your  
bloody black backpack back

AKA the Nasty Little Thoughts Version

-----  
Well I know it's  
It's a shame  
A shame I can't show it  
And I see it  
I can see it now  
But I'm so far below it  
Don't wanna  
Don't wanna talk about it  
I say why not?  
Don't wanna think about it  
I say there's got to be some good reason  
For your little black backpack  
Up, smack, turnaround he's on his back  
and  
Don't wanna tango with you  
I'd rather tangle with him  
I think I'm gonna bash his head in  
And this shouldn't concern you except that  
Just don't expect to get your bloody black backpack back  
And I can feel you  
Yes I can  
What about that don't you understand?  
And I sense you  
It's something sensual  
But it's less than I planned  
Don't wanna  
Don't wanna talk about it  
I say why not?  
Don't wanna think about it  
I say there's got to be some good reason  
For your little black backpack  
Up, smack, turnaround he's on his back  
and  
Don't wanna tango with you  
I'd rather tangle with him  
I think I'm gonna bash his head in  
And this shouldn't concern you except that  
Just don't expect to get your bloody black backpack back  
You're trying to find a reason for the way you feel tonight  
You're mind is lined with layers of lead  
Have you heard one thing that I've said?  
Don't wanna talk about it  
I say why not?  
Don't wanna think about it  
I say there's got to be some good reason  
For your little black backpack  
Up, smack, turnaround he's on his back  
and  
Don't wanna tango with you  
I'd rather tangle with him  
I think I'm gonna bash his head in  
And this shouldn't concern you except that  
Just don't expect to get your bloody black backpack back  
Don't wanna tango with you  
I'd rather tangle with him  
I think I'm gonna bash his head in  
And this shouldn't concern you except that  
Just don't expect to get your bloody black backpack back
