

# Stryper, To Hell With The Devil

Speak of the devil  
He's no friend of mine  
To turn from him is what we've got in mind

Just a liar and a thief  
The word tells us so  
We like to let him know  
Where he can go

To hell with the devil  
To hell with the devil

When things are going wrong  
You know who to blame  
He will always live  
Up to his name

He's never been the answer  
There's a better way  
We are here to rock you  
And to say...
