Cause they might kick in the door, lookin for the piff and the raw  
But all they gon' get's the fifth and the four  
"All Eyez on Me" like Mr. Shakur  
Knockin the Whispers in the Cadillac, sit on velour  
I adapt to my habitat, give me a four  
With a fully loaded clip, a bitch that drive stick  
that can roll a thai stick, definitely on some high shit

They don't stand a chance and I'ma come cleaner like the dance to this shit  
Them niggaz aight, but tell Yayo to vamoose  
Let me set you, check you, 50 don't respect you  
On the radio he said your baby mom was a Deuce
