

Su Lee, Super Happy (ft. Ariza)

Yeah I'm feeling super happy now
Though I don't know how long it will last
But for now
Just let me taste all of that sweet life
I'm like wow
I feel alive
Don't wanna think about the woes that come at night

I'm feeling super happy now
Though I don't know how long it will last
But for now
Just let me taste all of that sweet life
I'm like wow
I feel alive
Don't wanna think about the woes that come at night
I'm feeling

Korean Verse Translation:
i've never had peaceful days
But recently i got lots to be thankful for.
I want this to last forever.
But I wont think about the future and try to enjoy who i am now

Champaign in my head
Bubbles in my brain
They might fizzle out soon

But I'm feeling super happy now
Though I don't know how long it will last
But for now
Just let me taste all of that sweet life
I'm like wow
I feel alive
Don't wanna think about the woes that come at night
I'm feeling

(Super happy now)
(Super happy now)
(Super happy now)
(Happy now)

Paso todo el tiempo viendo el calendario
los dias se me van eva
porando
y no se cuando voy a caer

lo que sube tiene que bajar
(no lo quiero aceptar)
por ahora voy a disfrutar
(no hay nada que pensar)

(Spanish Verse Translation:
I spend
All the time looking at the calendar
The days are evaporating away
And I don't know when I'll fall
What comes up must come down

But I don't want to accept it
I just want to enjoy
That I don't have to think)

Champaign in my head
Bubbles in my brain
They might fizzle out soon

But I'm feeling super happy now
Though I don't know how long it will last
But for now
Just let me taste all of that sweet life
I'm like wow
I feel alive
Don't wanna think about the woes that come at night
I'm feeling

(Super happy now)
(Super happy now)
(Super happy now)
(Happy now)
