

Sub Urban, PARAMOUR (feat. AURORA)

Tell me
Is your father a good man?
It's surprising how little
He seems to understand
His daughter was my savior
Sure, she can be a little indecisive
But, I don't have to make her choose
Cause

This is how it goes
Watching it unfold
Watching it unfold
Playing my own role
Runaway on them
Dum dum ditty dum dum ditty daddy don't
Make me leave this home
This is what you chose
