

# Sub-Urban Tribe, Goodbye (I Walk Away)

It's time to say Goodbye  
It's time to say Goodbye  
It's time to say Goodbye  
my love  
I walk away  
I walk away, i can't stay  
I walk away, i know  
it's too late  
This is the only way  
there's nothing you need to say  
we've gone astray  
It's no use to explain anymore  
your sad eyes speak more than thousand words  
one last look, one last smile  
it's time for us to say goodbye
