

Subb, Head On The Floor

You were there on the floor
You didn't breath anymore
The needle struck in your harm
Bleeding all around
You didn't gave a chance
You forgot the romance
Now i'm lost without you
Feeling (blue)

I cannot afford that
I cannot afford that you
Didn't wait for me...

Your eyes are still open
My heart still fills with pain
I cannot make a move
I am frozen
You didn't gave a chance
You forgot the romance
Now i'm lost without you
Feeling (blue)

Nothing hurt more than seeing you again
