

Subb, Like A Stinking Dog

They've started a band with some friends
Playin' hard as they can
Rock n' roll is the clue
Still believe that is true
I wish a we're a stinking dog
But i'm not!
With their "converse" attitude
These guys will rule the world
"Why can't i go see you outside"
It's something that i can't, i just can't understand
And i wish i were a stinking dog!
But i am not!
(Verse 1)
They only drink Bud, Bud, Bud!
1-2-3-4!
I can't go see you outside (x4)
Hey ho! Let's go! (x4)
