

Subb, Revenge

You're lying to me so I'm lying to you
It's simple to see that there's nothing to do
You're fucking me up cause you're fucked up too
Get someone else to blame I ain't listening to you
There's so much I can take when it's coming from you
You decided that I was The one who would lose
You decided to stay now it's time for revenge
You lied to me, you lied to me
You're breaking my arm but there's no other choice
It's a thirst for revenge what's in your inner voice
You try to stretch time but there's no way you can win
You have nothing to lose so you try it again
(1st verse)
(Chorus)
