

Subb, Rodney Dangerfield

I wanna be Rodney Dangerfield
I wanna be like in his movies
Don't wanna be like nobody else
Don't wanna be you, don't wanna be me
I just wanna be Rodney Dangerfield
1-2, 1-2-3-4!
I wanna be like that underdog
You'll have no respect, but you'll get the girl
When you look him no one understands
When you don't have any friends
Why you try to be cool, why you try to be famed
I just wanna be Rodney Dangerfield
Don't wanna be like nobody else
I want to be the king of the kings
Mister Rodney Dangerfield oh, oh!
