

# Subb, Summer Break

Oh yeah! We're heading to the beach,  
Oh yeah! We're heading to the beach  
Oh yeah! To roast under the sun  
Oh yeah! To roast under the sun  
Oh yeah! The school is over  
Oh yeah! The school is over  
Oh yeah! The school is over  
Oh yeah! The school is over  
Could you just wake up, and feel the fuckin' heat?  
My brain is melting, my eyes are poppin' out  
The horny women are walking down the streets  
I just don't care cause my girlfriend won't find out  
Oh yeah! We've played this fuckin' song  
Oh yeah! Just sang it yesterday  
Oh yeah! Recorded it today  
Oh yeah! And tomorrow  
We'll pay! We've played this fuckin' song  
Oh yeah! Just sang it yesterday  
Oh yeah! Recorded it today  
Oh yeah! And tomorrow we'll pay  
(Chorus)  
(Bass solo)
