

# Sublime, Ball And Chain

people listen up  
don't stand to close  
i got something that you all should know,  
all the lies,  
all the lies they told to me  
from a little part of history,

see i was always taught that boy meets girl  
fall in love get married  
and forget the world nine months later  
sweet babys on the way kiss 'em on the cheek  
and lifes o.k.,

i don't feel no pain  
i don't have no time  
to listen to conflicting points of view.  
it's a crazy world to live alone a ball and chain

i call my own.

people stand back  
don't stand top near  
i've got something that you all should hear  
holy matrimonys not for me

rather die alone in misery  
because marriage doesn't work in the world today  
it's an institution  
and it's in decay  
and if i have love

i wish to portray  
i will surely find another way  
because i was always taught that boy meets girl...  
i step into the great unknown
