

Sublime, I've Seen Better Days

It goes a little something like this

In my shoes my toes are busted,
My kitchen says my bread is molded,
Got a good job at the dollar store,
One foot in the hole, one foot gettin' deeper,
with a broken mirror and a blown out speaker
And I ain't got much else to lose.
I'm faded, flat busted;
I've been jaded I've been dusted.
I know that I've seen better days.
One foot in the hole, one foot gettin' deeper,
Crank it to eleven, blow another speaker and
I ain't got, I ain't got much to loose
'Cause

(Chorus)

I've seen better days I've been star of many plays
I've seen better days and the bottom drops out.
I've seen better days I've been star of many plays
I've seen better days and the bottom drops out.

Now My cup's filled up with five buck wine
I find myself here all the time
Another rip in the glass another chip in my tooth
Rained on I've been stained on
Found another goat I tried to put the blame on
And now I'm steppin on all the cracks
So I guess there ain't no use
'Cause

(Chorus)

I've seen better days I've been star of many plays
I've seen better days and the bottom drops out.
I've seen better days I've been star of many plays
I've seen better days and the bottom drops out.

Woman: "Do you like my gucci bag?"

That's beautiful, beautiful

Check it check it check it out,

I'm bent like glass second hand like glory,
Missed the bus but I'm in no hurry,
Molasses fast no business born,
One foot in the hole, one foot getting deeper,
Crank it to eleven, blow another speaker and
I aint got i aint got much to lose
'Cause

(Chorus)

I've seen better days I've been star of many plays
I've seen better days and the bottom drops out.
I've seen better days I've been star of many plays
I've seen better days,
I've seen better days,
I know that i've seen better days,
(the bottom drops out)
I've been the star, of so many plays,
(and the bottom drops out)
Walked on the edge with that hobo way.
(the bottom drops out)
'Cause I know I know that I've seen better days

(and the bottom drops out)

Now I'm real thirsty...
