

# Sublime, Mizery

I live for no reason now dont you belive me.  
Im just a nobody.  
I sit hear thinking about life  
With my wrist to my knife  
please love me for me  
I lie in my bed  
with these wicked visons in my head  
Just want to be back with you  
I cry my self to sleep  
and i keep my soul deep beneath  
My heart only belongs to you  
(TAKE TO MY MIZERY NOW)  
(TAKE ME TO MY MIZERY)
