

# Sublime, Poolshark

Lyin' in my plastic bed  
thinkin how things weren't so cool to me  
my baby loves to shoot pool  
i like lyin naked in my bedroom  
tyin' off the dinosaur tonight used to be so cool  
now i got that needle

and i can't shake  
i can't breathe  
you take it away but i want more and more  
one day im gonna loose the war.
